February 2008

Dear Top 100 Award Winner,

It is an enormous privilege to congratulate your company for producing one of *District Administration* magazine's **Readers' Choice Top 100 K12 Products for 2007-2008**. Your product was selected from among thousands of entries in our growing online database, many of which were reviewed in DA magazine and recommended by our readers. The DA readers also helped our staff select the best products of the year in multiple categories, using a unique interactive "star rating system," and the awards were announced recently in a special issue of the magazine.

Enclosed are five copies of the awards issue, a customized Readers' Choice Top 100 K12 Products certificate to recognize this unique achievement, and instructions for accessing an online site where you can download an award logo for your exclusive use.\* Again, only 100 products in K12 education share the distinction this year, which will be of significant importance as decision-makers turn to *District Administration* for expert opinion on purchasing.

Best wishes for continued success!
