Parat Solutions announces trade show schedule for 2009

Berwyn, PA December 19, 2008 – PARAT Solutions, an innovative manufacturer of mobile computing transport solutions, announces its preliminary trade show schedule for 2009 and is pleased to invite interested parties to the following trade shows and conferences:

Macworld Expo (*booth # 4034*) San Francisco, January 5-9

FETC (*booth # 140*) Orlando, January 21-24

TCEA (*booth # 2525*) Austin, February 2-6

CoSN (*booth # 208*) Austin, TX, March 10-12

Innovations (*booth # 507*) Reno-Tahoe, March 15-18

NECC Washington, DC, June 28 – July 1

For an updated listing of additional events, please consult the “Events” page on PARAT’s website (www.paratsolutions.com). PARAT schedules approximately 20 events per year from regional informal events to more large-scale outreach efforts at national trade shows.

“We relish every opportunity to take advantage of face to face interaction with potential customers and we are committed to personally bring our message to consumers nationwide. With products as innovative as ours, there is no replacement for seeing them first-hand,” states Peter Jauss, PARAT Solutions Director of Sales.

About PARAT Solutions

PARAT Solutions is an independent U.S. affiliate of PARAT-Werke which develops “smart products for mobile computing” that secure, store, transport, charge and synchronize multiple mobile computing devices using innovative technology, sturdy craftsmanship, technical expertise and a high degree of creativity.
